

THIS IS VIC-MAUI 20 06

OFFICE OF THE LIEUTENANT GOVERNOR

July 2006

Greetings from Government House, the Ceremonial Home of all British Columbians; as representative of the Crown in our province, it is my pleasure to send best wishes to all participating in the Victoria to Maui International Yacht Race.

Since 1965, competitors have challenged this 2308 nautical mile stretch tested by the elements and their own preparedness, skills and endurance to arrive at Lahaina Harbour. In the course of this Pacific voyage one of the world's most stunning vistas is enjoyed and the craft of navigation on water is honed. Each vessel and each sailor has the opportunity to meet historic challenges, but with the advantages of today's knowledge and technology. As you set sail from Victoria, you embark on an adventure that produces many exceptional memories for years to come.

Thanks are due to the coordinators of the Victoria Maui International Yacht Race for your support to the on-going success and longevity of this wonderful event. Also, congratulations on your continued achievement and position promoting friendly competition and the spirit of sailing.

Best wishes to all as you embark on this renowned international adventure!

Sincerely,

**THE VICTORIA TO MAUI
INTERNATIONAL YACHT RACE
JULY 3, 2006**

The people of the State of Hawai'i join us in sending greetings of aloha to all who are participating in the 2006 Victoria to Maui International Yacht Race.

The "Vic-Maui" attracts yachtsmen to race the 2,308 nautical miles from the start in Victoria, British Columbia to the finish line in Lahaina. This event is always an exciting time for Hawai'i with 17 yachts and participants from around the world.

We commend the skill and bravery of the men and women who participate in this challenging race across the Pacific Ocean. We also extend our appreciation to the many dedicated volunteers, participants, racing enthusiasts and sponsors who work diligently to make this remarkable event such a huge success.

Our best wishes to all of the competitors and we welcome their arrival on our Valley Isle.
